## Frequently Asked Questions

**Who can contribute?**  
Virtually all state employees and retirees are eligible to participate in the State Employees Combined Campaign. In addition to permanent full-time, part-time and time limited employees, you may also ask temporary employees, interns & contract employees if they would like to participate. Just remember, they cannot contribute by payroll deduction, but they can make a gift by cash, check or credit card.

**Who determines how my contribution will be used?**  
You decide by designating at least \$10 of your contribution to one or more charities listed in the 2011 SECC Giving Guide.

**What happens to my contribution if I do not designate to a specific charity?**  
The campaign's regulations assure that all undesignated funds are proportionately distributed to those charities receiving designations. If Charity A receives 5% of designated pledges, then Charity A will also receive 5% of undesignated pledges.

**What is the campaign's overhead?**  
In 2010, the campaign's administrative costs were less than 10%. The SECC is required to have an administrative cost of less than 10%.

**What is the duration of my payroll deduction and when does it begin?**  
Deductions begin January 2012 and continue through December 2012.

**Do I need to fill out another pledge form for this year's pledge if I have given in the past?**  
Yes. A new form or online pledge must be completed every year.

**Are contributions tax-deductible?**  
Yes. You may need documentation to support your contribution depending on the amount you pledge. Consult with your accountant or tax advisor for details.
