

Live Art During a Virtual Event

Version #1

Invite attendees with a reminder to have their paint and canvas set up or paper and pencil

Schedule and host a virtual meeting

Invite a Whiteboard or live animation artist to use the whiteboard feature on your meeting service

Emphasize and highlight everything that is said during your presentation so that attendees can follow along

Create a piece of art connected to your mission through the discussion and presentation that occurs

Version #2

Invite attendees with a reminder to have their paint and canvas set up

Schedule and host a virtual meeting

Play a video from [this playlist](#) (a step by step to paint a plethora of things)

Enjoy!
